

Our Commitment to Supporting Microsoft Dynamics GP and Commission Plan Amid Microsoft's Changes

As Microsoft prepares for the eventual sunset of Microsoft Dynamics GP, **EthoTech remains steadfast in its dedication to supporting our customers.** We understand that many businesses, like yours, have built a solid foundation on Dynamics GP, integrating essential solutions like EthoTech's Commission Plan to streamline and optimize your operations.

At EthoTech, we're not just a developer—we're your partner. While Microsoft has laid out a timeline for the end of GP's lifecycle, we are fully committed to maintaining and enhancing our products, including Commission Plan, well beyond those dates.

Our support and development teams will continue to provide the high level of service you've come to expect, ensuring our products remain reliable, efficient, and fully capable of meeting your business needs. We will also **continue to add new features to our products**, ensuring they evolve with your business requirements.

While some partners are committing to **10-15 years of support**, EthoTech is with them—and then some! Dynamics GP remains a robust and dependable system, and you can continue to use it with confidence.

As other trusted members of the GP ecosystem have done, **we pledge our continued investment in Dynamics GP and our powerful suite of add-ons.** We encourage you to take your time in evaluating your next steps, and rest assured that EthoTech will be with you every step of the way, offering guidance, updates, and solutions that keep your business moving forward.

Your business success is our priority, and we are committed to supporting Dynamics GP for as long as you need it. Whether you choose to stay on GP or explore other options, **EthoTech will continue to stand by your side, providing peace of mind and ensuring the continuity of your critical business operations.**
